BRYAN, TEXAS, FEB. 6, 1907.

The Annual Fat Stock Show of the National Feeders' and Breeders' Association will be held in Fort Worth, March 20th to 23rd. It is claimed it will be the greatest gathering of fine stock ever brought together in the South, including cattle, horses, mules, hogs, sheep, goats and poultry.

After a thorough tour of Texas, Arkansas and the Territories, Hamden McK. Fulgham, representing the Census Bureau at Washington, D. C., dealing directly in cotton ginning statistics, is firmly of the opinion that the Farmers' Union in these States will solve the marketing problem of the cotton planter. He traversed Texas from the Panhandle to Houston. Mr. Fulgham visited Bryan on his tour through this State.

FIRST NATIONAL BANK OF BRYAN MADE STATE DEPOSITARY.

Dispatches from Austin announce the designation of the First National Bank of this city as State depositary for the 12th Senatorial District.

These designations were made yesterday by a committee at Austin consisting of the State Treasurer, Comptroller and Attorney General.

Each bank so designated, one

bank for each senatorial district, will receive \$50,000 of the state's money for deposit.

This provision is in accordance with an act of the last legislature creating state, county and city depositories.

The First National officers were yesterday receiving congratulations on this appointment.

WILL BE AT COLLEGE TODAY.

Members of the House Appropriations Committee will visit the A. and M. and consider its needs at Close Range.

Hon. W. C. Davis, representative from Brazos county, arrived from Austin yesterday afternoon and spent last night in the city. He is a member of the house appropriation committee and will join the other members of the committee at the A. and M. College today. The committee spent yesterday looking over Prairie View normal institute, and will today give consideration at close range to the needs of the A. and M. College. The Eagle is confident that the committee will readily concede the College authorities have been very modest in the amount of the funds asked for the various purposes after a personal investigation of the pressing needs of the institution.

The legislative party includes Messrs. F. H. Clements, W. A. Trenckman, J. C. Ralston, J. T. Curry, F. Johnston, Ben Gafford, W. J. Bryan, W. C. Davis.

The members of the senate appropriation committee were unable to visit the college at this time.

Don't let me forget to see R. G. Tabor about that life insurance.

SUNDAY SCHOOL CONVENTION.

General Call for State Meeting in Dallas
—Thirty-Second Annual Session.

As Commander-in-Chief of the Sunday School Army of Texas, I call upon all the various regiments of all the Evangelical denominations to mobilize in the city of Dallas on the banks of the Trinity, pp Thursday, March 21, 1907, at 3 o'clock in the afternoon, for three days' of instruction, drilling and inspiration in the thirty-second annual Sunday School Convention of Texas.

Our own beloved International General Secretary, Marion Lawrence of Ohio, the general of the largest army in the world, numbering 26,000,000 soldiers, will for the first time in six years be with us to lead, instruct and inspire us to greater service.

America's great Bible instructor and training specialist, Dr. H. M. Hamill of Tennessee, and his wife, Mrs. H. M. Hamill, one of the leading primary specialists in America, will both be there to instruct in the most inspiring manner.

The greatest leader of Song in the world, Prof. E. O. Excell of Illinois, will lead the throng in music in the happiest manner as he has so efficiently led thousand before.

Oklahoma's efficient General Secretary, William Rogers, will be there and will tell of one of the greatest aids in evangelization.

Our own efficient General Secretary, Chas. D. Meigs, of international fame, and a vast number of the choicest local leaders and instructors in Texas will take part in the convention.

Truly, it will be the greatest gathering of Sunday school workers of all denominations ever assembled in Texas, and one which no pastor, superintendent, officer, teacher or worker can afford to miss. It will be worth going thousand of miles to attend.

Let us so come, expecting the presence also of our Heavenly Commander-in-Chief, Jesus Christ, through His Holy Spirit to cheer, instruct and inspire us to nobler service in the King's business.

Witness my hand and official seal at San Antonio, Texas, this the first day of February, in the year of our Lord, nineteen hundred and seven.

William N. Wiggins,

President Texas Sunday School Association.

WINTER—WHITE.

Popular Young Couple of This City
Quietly Married Yesterday at
Christian Parsonage.

Mr. P. L. Winter and Miss Maud White of this city were quietly married yesterday afternoon at 4 o'clock by Rev. Jas. A. Challenor at the home of the minister in the southern part of town. A few relatives witnessed the marriage, the announcement of which came as a surprise to many of the friends of the young people who had kept their own counsel relative to plans for their future happiness.

Both the young people were reared in Bryan. The groom is a son of Mrs. C. B. Winter and a worthy and energetic young man who is succeeding in business and adding to his list of friends continually.

The young couple are at home with Mr. and Mrs. Powell Winter, the former being a brother of the groom.

BUSINESS CHANGE.

J. M. Sebesta has purchased the interest of his partner, L. F. Chemelesky, in the general merchandise business of Chemelesky & Sebesta and will continue the business at the same stand on Main street. Mr. Chemelesky will continue to make his home in Bryan, but has not yet determined upon what he will do. The Eagle bespeaks for Mr. Sebesta the liberal patronage in the future which the firm has heretofore enjoyed.

To the People of Bryan and Brazos County:

Having recently opened a MARBLE and GRANITE YARD in Bryan, I am going to put the price on this kind of work where they should be. Note some of the following:

Headstones in White, Clouded, or Blue Rutland Marble 2 ft. 4 in. high complete with footstone, set at grave for \$5.75. Other sizes, 2 ft. 6 in. high to 4 ft. high, 10 in. to 18 in. wide, of the best marble at prices ranging from \$4.75 to \$15.00. Beautiful markers for children's graves \$3.25 to \$25.00. Monuments in all the different colored Marbles from \$12.50 up to \$500.00. Granite Monuments and Markers from \$50.00 to as high as you wish to invest. There should not be an unmarked grave in Bryan cemetery at the prices I am making. I can make these prices because when you deal with me you deal directly with the manufacturer and I save you 20 or 25 per cent commission you pay agents when you figure with out of town concerns. Why pay more for this kind of work away from home than you would have to pay for it right here in Bryan? I guarantee you the best material and the best of workmanship, having had 18 years experience in the Marble business, I ought to know the things and believe I can prove to you that I do. I sell all kinds of Cemetery work, Iron Fencing, and furnish estimates on all kinds of stone work for building.
